BAR HILL FERMENTERS GUILD

We had an enjoyable social evening at the White Swan, Conington on Tuesday 8th March, with 28 attending.

Our next meeting will be on Tuesday May 10th in the school. The format is still being finalised but we will base the evening around home brewing/winemaking. Members will receive details directly.

The Guild aims to promote the enjoyment of home brewing and winemaking and our interest in the fermentation process extends to the appreciation of (real) beers and wines generally; events in the past have included competitions, talks, visits, tastings. Our emphasis is on the social enjoyment of fermented products - we welcome new members, please contact me on 81966.

P.S. Don't forget the BARBECUE on 16th July.

NOTES FROM THE DISTRICT COUNCIL

The Civic Trust is organising an "Environment Week" at the end of April and is urging local authorities to help by participating in a "SPRING CLEAN DAY" on April 23rd 1988. Generally the aim is to encourage residents to improve the local scene by clearing rubbish, particularly near their own surroundings.

Most residents will remember the excellent work carried out several months ago by the "WINTER BUSTERS" organised by the teams led by Freda and Veronica. After the example set by these members of the community, the village now has the useful support of the present manager of Tesco, and it is intended that the occupiers of the premises in the Industrial Area shall be asked for their co-operation in the exercise known as "SPRING CLEAN DAY" Saturday April 23rd 1988.

Please help to make this exercise a success and perhaps the village will do better than coming 5th out of 5 in the Best Kept Village Competition.

If transport is required to clear away large items of rubbish please contact the Clerk of the Parish Council or myself, when this matter can be arranged.

Alec Green,
District Councillor (CH 80978)

SECTION 36 of the ROAD TRAFFIC ACT 1972 creates an offence of driving a motor vehicle (including motor cycles) on any land NOT forming part of the highway. Land not forming part of the highway includes common land, a road being a footpath, bridleways etc.

Those who persist in committing this offence especially on the bridleways/drift/humps at the front of the village can expect prosecution.

P.C. Jim Turney
Resident Constable

BAR HILL WOMEN'S INSTITUTE

The next meeting on the W.I. will be on Tuesday April 19th at the school at 7.30pm. This is a week later than usual as the school will be closed for the Easter holidays the previous week.

We are looking forward to a visit from Mr. H. Ketch who will be talking on the Swan Rescue Service; on the sales table will be "Cakes" and the Animal Competition will be for the most attractive animal ornament. A warm welcome to all old and new members.

At the Annual Meeting held on March 8th Mrs Mary Shubotham stepped down as President and Mrs Phyllis James was elected as her sucessor. Mrs Shubotham was thanked for all the splendid work she had done for the last 2 years and she will continue as a member of the committee.

The next coffee morning will be at the house of one of our new members, Mrs. Olive Barber at 29 Partridge Drive on Tuesday April 26th.

D. Patrick (CH 82136)

ROYAL BRITISH LEGION - BAR HILL

The committee regrets any inconvenience caused to members by the late cancellation of the March meeting, especially to any who attended and had a wasted journey.

All members are cordially invited to the next meeting at the Farmhouse, Bar Hill at 8.15pm on Thursday 14th April 1988. Also please note the St. George's Day Celebration Party at the same venue on Saturday 23rd April 1988 at 7.45pm

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Residents,
The Structure of Adult Training will be dramatically changed following a report by the Manpower Services Commission to the Secretary of State. This has been endorsed and will be implemented by September 1988. The new strategy will be aimed at enhancing training opportunities for the long term unemployed and to relieve skill shortages by increasing the supply of trained workers. This scheme will replace the present 37 Adult Training Schemes which are currently being operated by the Manpower services Commission. The principle features of the new scheme are that the programme will be voluntary, contain high quality training, individual programmes tailored to each participant, locally planned and delivered, participants will receive incentive payments. Each individual will have up to one years training which will include at least 40% off the job training leading to qualifications or credits. All those unemployed for 6 months or more in the 18 to 24 age range and those in the 25 to 50 age range who have been unemployed for two years or more will have a guarantee for a place on the new scheme. Participants on the scheme will receive a training allowance in excess of that which they would receive on unemployment benefit. There will be encouragement for those not on the unemployment register, i.e. women to return for training, they will also receive a special allowance. Cambridgeshire County Council is discussing with the M.S.C. what role it can play through its Colleges of Further Education and the current Community Programme Scheme. The County is already heavily involved with numerous M.S.C. schemes and hopes to play a major part in this new Training Strategy.

The Education Committee has recently held a Seminar on Examination Results following the 1987 Examinations for GCE, CSE and Common Entrance Examinations for 16 - 18 year olds. Entrants to GCE, CSE and Common Entrance Examinations have continued to rise, the average pupil taking nearly 7 papers. The pass rate has continued to improve, the County average higher grades in at its highest level, 29% of pupils gained 4 or more higher grades which is a 3% increase on last year. The total number of entries now exceed 56,000, of these nearly 20,000 are at higher grades. There have been similar improvements at A level where the Cambridge Area Pass Rate now stands at 83%, since 1978 there has been a 61% increase in the numbers taking A Level subjects and passes have risen from 2,369 to 3,824 there has been a similar increase in those receiving the highest pass A or B grades, this has risen across the County from 26% to 28%.

If anyone wishes to contact me for any reason please either telephone "Careline" on Crafts Hill 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday, 17th March at 7.30 p.m. in the Old Farmhouse.

Sale of Land to Domino Printing

Negotiations concerning the sale of this land are proceeding via agents of both the Parish Council and Domino.

Cambus

Following the revision of the timetable/routes, the Clerk will again be writing to Cambus on various timetable points raised at the meeting, and especially to reiterate the concern of the Parish Council that buses should travel clockwise round the village.

Resignation of Councillor D. Campbell

Following the resignation from the Parish Council of D. Campbell, the Council would invite anyone interested in standing for co-option to write to the Clerk at the address given below.

Raising of Speed Limit on Perimeter Road to 40 m.p.h.

The Clerk reported that the County Council had confirmation, from both the Cambs. Constabulary and the County Councillor for the area, that they were in agreement that the speed limit be raised in an attempt to alleviate the speeding problem. This would be on an experimental basis similar to those carried out at St. Ives and Milton. A Public Meeting will be arranged in either late April or early May so please see the Parish Council noticeboard nearer that time for details.

Sale of Newspapers/Magazines in Tesco

The Parish Council requested the Clerk to write to Tesco's Head Office expressing the concern at the potential effect on Forbuoys business and the possible ultimate loss of a Village amenity.

Bus Shelter

When plans have been drawn up, the Parish Council will be inviting tenders for a new bus shelter to be built.

Dog Fouling Byelaw

District Councillor Green advised that the same bye-law operative in Cambridge City can be applied to Bar Hill. The Clerk will ascertain details from the District Council.

Parish Council Workshop Roof

It was agreed that the workshop roof should be replaced in conjunction with the Education Authority's replacement of the School storage shed.

A THANK YOU LETTER

I would like to thank all those people who helped to make my presentation evening such a happy occasion. I was overwhelmed by the generosity of people I had worked and lived with over the last twenty years. It was, however, an occasion tinged with sadness as I had hoped to retire in 1990 but this was not to be. Although we are moving from Bar Hill shortly, I hope we can maintain our links with Bar Hill as the village has always been close to our hearts.

AN OPEN LETTER TO RESIDENTS CONCERNING THE BUS SERVICE

As I am sure you are all aware, Cambus have changed the times of the buses from Bar Hill, meaning there is no longer a bus at 8.45 a.m. to Cambridge. I for one am greatly inconvenienced by this as I can no longer get to work at a reasonable time. I complained, long and hard about the fact to Cambus, Cllr Reynolds, Parish Council, etc., but what about all the other people who regularly caught the 8.45 am bus to Cambridge - did you all complain - or are you prepared for CAMBUS to dictate to you whether you get to work on time or not? I never travelled alone on that bus, what about all the other people, perhaps you started work later than I did but you obviously caught the 8.45 bus for a good reason. Cambus told me that the bus was never fully utilised, but I disagreed with that statement, after all there were very few empty seats when the bus left each morning.

I have had a letter from Mr. Steele of Cambus advising me that they will look into the matter, perhaps if enough people complain about the loss of this service, we might just get it reinstated. Come on lets all fight for what we want, its no good complaining to each other and then sitting back and hoping things will change, the only way they will change is if we make them change! We can only do that if we make our complaints known to those who are responsible.

I cannot believe that I am alone in wanting to get to work every morning without any hassle. After all a bus service is supposed to be that - a service - and until these new changes were put into operation I think we had a reasonably good service from Cambus. I hope I am not alone in wanting to see the 8.45 a.m. service resumed. I give below the address for you to send your complaints to:
Mr. J. Steele, Cambus Ltd., Cowley Rd., Cambridge. CB4 4DN. Thank you

Christine Cunnell, 118 Hillcrest

*** Since sending the above letter to the Editor, Mrs. Cunnell has received the following reply from Cambus.

"With reference to your letter dated 3rd March 1988 concerning the conversation that we had on Radio Cambridge.

As a result of your letter and others that I have received I have decided to reintroduce a journey at 0845 ex Bar Hill. We shall of course be monitoring the service after its introduction to ensure that enough people are using it and that we can continue to operate it on a commercially viable basis.

I am sure that if the 60 people that you mentioned do use the bus then we should not have any problems in the future.

I trust that you do understand the commercial situation which the Company is now operating in and would point out to you we are in effect no different to Whippets or Premier in that we are a private Company and therefore if we are to remain in business must ensure that all our services operate profitably.

May I thank you for once again writing to me and hope you will accept that once a problem has been highlighted that we do attempt to do something about it, whilst trying to bear in mind our commercial aims.

J. B. STEEL, REGIONAL DIRECTOR - SOUTH"

** RESIDENTS PLEASE NOTE - IF YOU DO NOT USE THE 0845 SERVICE WHEN IT IS RESUMED WE WILL LOSE IT AGAIN - PERMANENTLY ** Editor.

LONGSTANTON GARDENERS CLUB

The Longstanton Gardeners Club extends a hearty welcome to residents of Bar Hill to join the Club. We know that you take a great interest in your gardens, and as there are many new houses with gardens to be started from scratch, we feel we can offer help through our club.

The Club meets monthly on the 3rd Monday and has a full programme of talks, slide shows and demonstrations. In addition we organise outings and social events. Members also enjoy the benefits of large savings in the price of horticultural sundries, through bulk buying, and discounts to members from several suppliers locally, for seed orders, plants and all garden supplies.

Bar Hill residents are cordially invited to attend the next meeting of the club as our guests. We meet on Monday 18th April at 7.30 pm in Longstanton Village Hall. The subject will be "Sweet Peas" - everyone's favourite, with slides, by Mr. T. Sewell, local sweet pea expert.

The club also organises twice monthly classes in flower arranging, for the ladies, on the 2nd and 4th Thursdays, and Bar Hill ladies are welcome to join these.

We are only just down the road from you - so why not come along and see what we can offer. For further information ring the Secretary, Mrs. Phyllis Brown, on 81220.
